Quiz Answers: Lesson 03

Q1

In The chart below, which sign is the Ascending Sign?

Look at the House 1, where As is written.

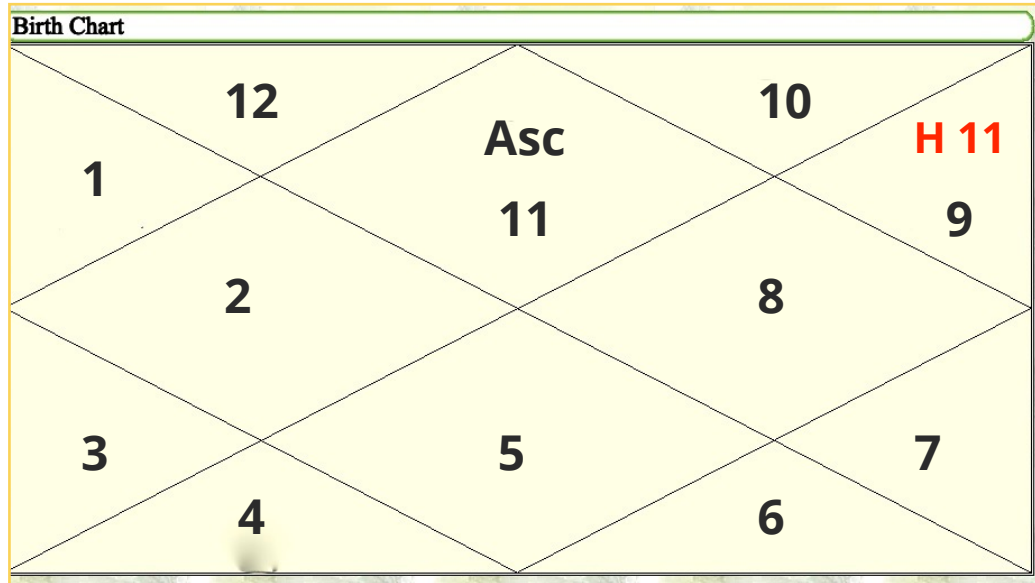

Number in this house is 3, which is the number of sign in this house.

Sign number 3 is Gemini.

Therefore the Ascending sign in this chart is Gemini

Q2

If the Ascending sign is Aquarius,
which sign is in the house 11?

Ascending sign is Aquarius, meaning number 11.

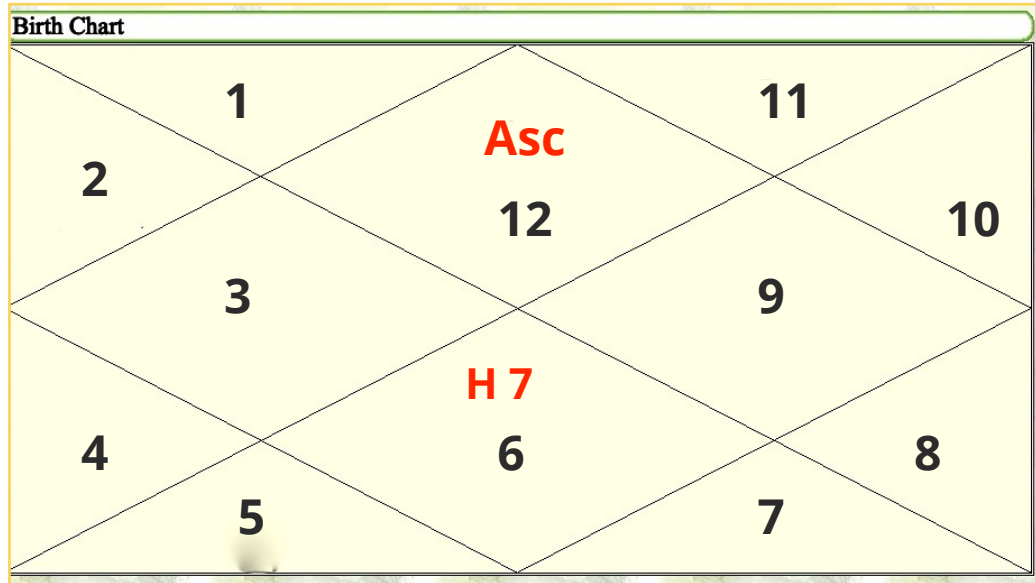

Put number 11 in the As / first house and other numbers respectively

Now look at House 11 and see which number is there.

Since 9 is in H 11, the sign number 9 which is Sagittarius is the correct answer

Q3

If Virgo is in the house number 7,
what is the Ascending sign of that chart?

Virgo is in H 7. Virgo is sign 6 so number 6 is in H 7

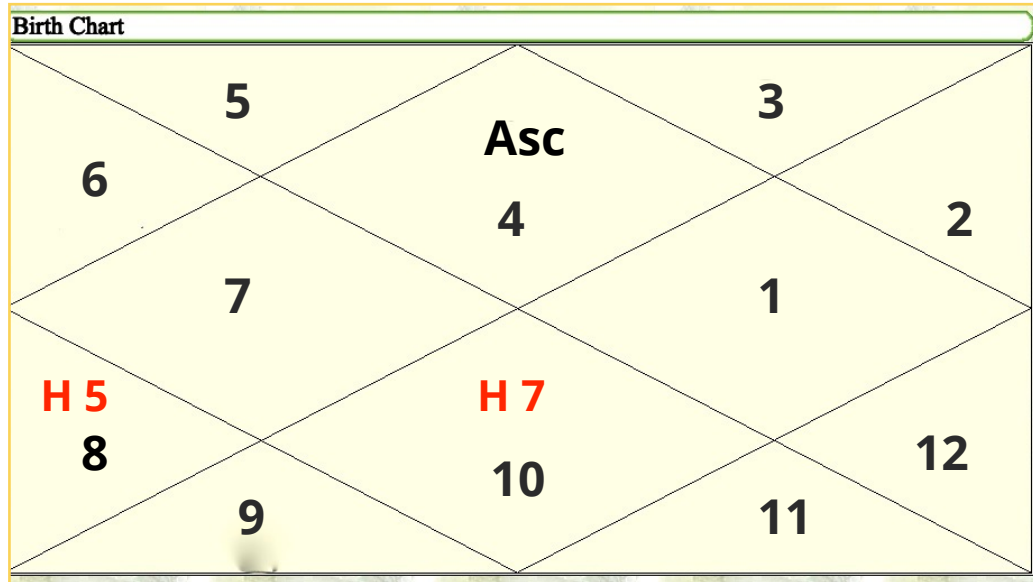

Put other numbers respectively in other houses

When you reach ASc, number 12 will come there

Since sign number 12 is Pisces,
the correct answer is Pisces

Q4

If Scorpio is in the house of children,
in which house is the sign Capricorn?

Scorpio is in house of children, which is H 5

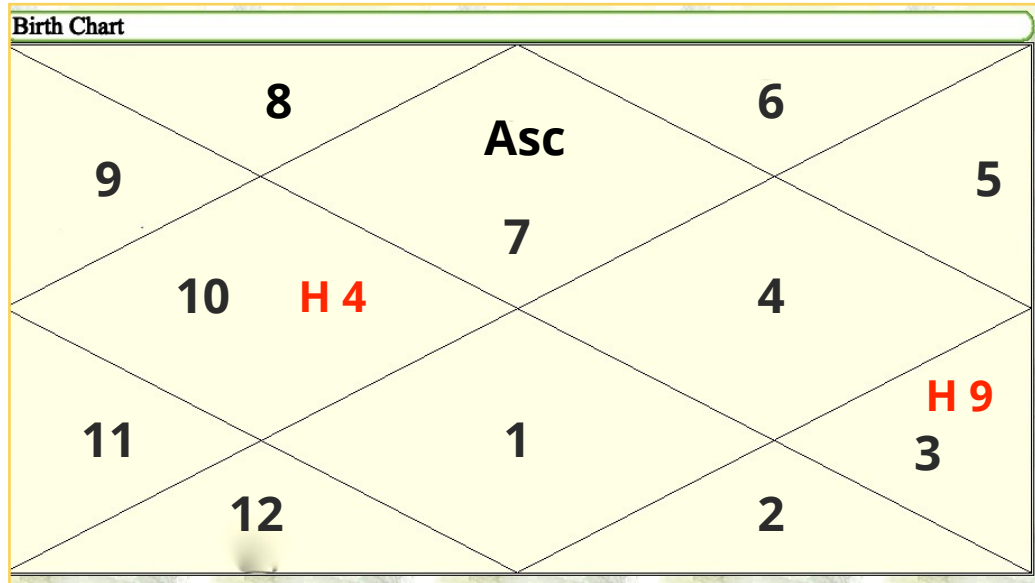

Scorpio is 8, so you put 8 in H 5 and
remaining numbers respectively in other houses

Capricorn is sign 10, and here 10 comes in H 7

Therefore the correct answer is 7

Q5

If house of father has the sign Gemini in it, which sign is in the house of mother?

House of father is H 9, which has Gemini in it, which is number 3

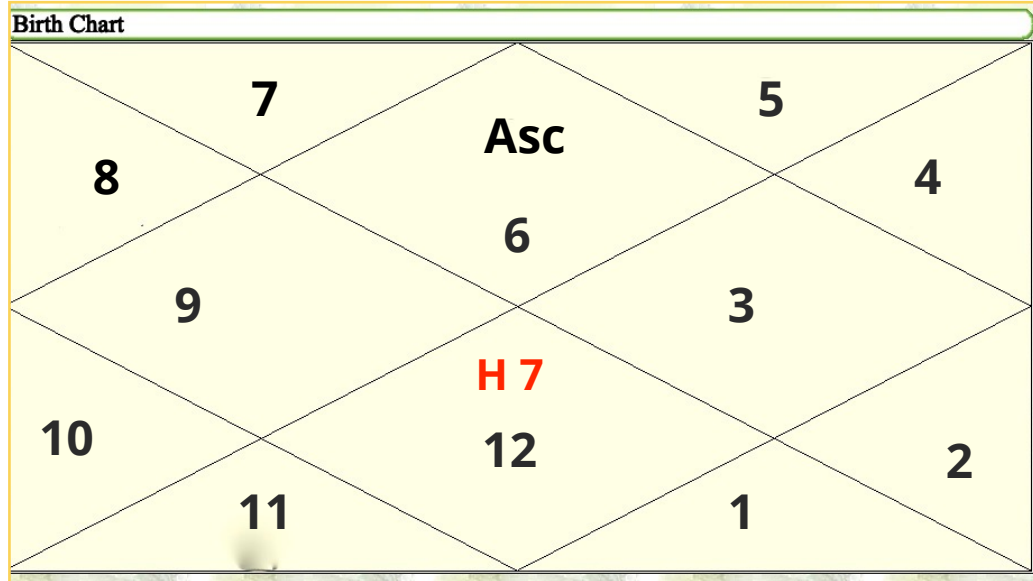

Put number 3 in H 9 and other numbers in respective houses

House of mother is H 4, and in there comes sign 10

Therefore the correct answer is 10

Q6

In a chart of Virgo Ascendent, Pisces occupies the house of marriage. Correct or Incorrect?

Virgo is sign 6, which comes in ascendent

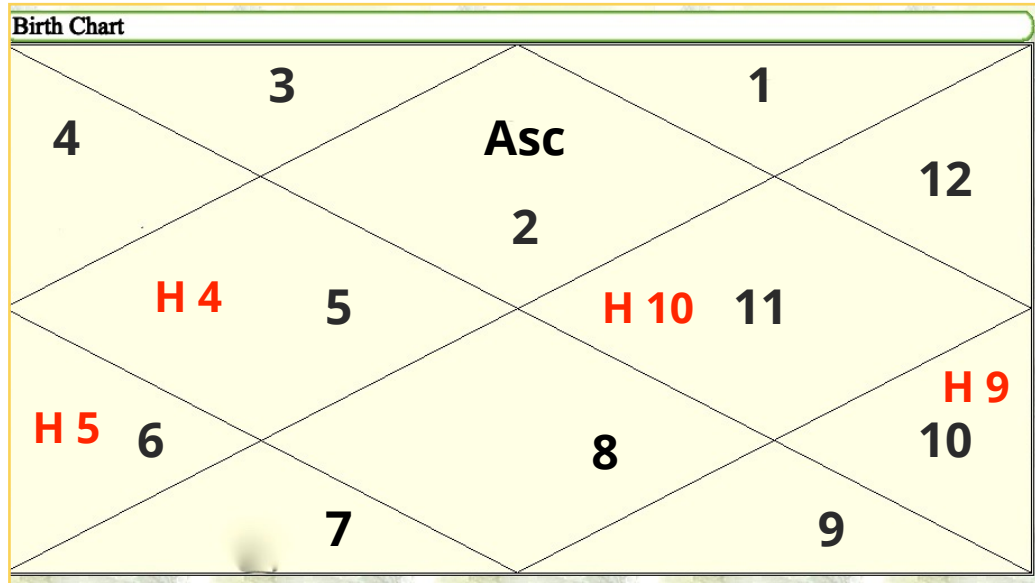

Put all other numbers in respective houses

House of marriage is H 7, and there is sign 12

Sign 12 is Pisces,
therefore the statement is correct
